Despite his detailed confession, Nelson goes free because of a loophole in the American Constitution. Documentarion Julion T. Pinder travels to Yellowstone in a chase for truth behind a crime that should have rocked the nation. How did the United States Constitution let a guilty man go free? ⚠ FIVE TIPS IF STOPPED FOR DUI

REMAIN SILENT.

ALWAYS DECLINE A FIELD SOBRIETY TEST.

DO NOT REFUSE THE BLODD OR BREATH TEST.
Refusal to blood or breath test triggers a mandatory license suspension.

DO NOT LIE TO THE POLICE AND SAY YDU HAVE NOT BEEN DRINKING!
If you lie and then the police prove that you have been drinking, through a blood or breath test, it will look very bad for you in court.

CALL A LAWYER AS SOON AS POSSIBLE.
